PAYDAY 2: A Merry Payday Christmas Soundtrack

Introducing the perfect gift for the discerning PAYDAY player! This festive Christmas album is packed with no less than six seasonal hymns, written and produced by OVERKILL's own Simon Viklund and performed by the inimitable Pete Gold (A.K.A. Old Hoxton), known from the classic First Person Shooter "PAYDAY: The Heist".

Three new Santa Masks to rob Banks with

Like a big sugary squirt of whipped cream on top of this already sweet deal, we're throwing three additional Santa masks into the deal. These exquisite, handcrafted PAYDAY 2 masks are exclusive to the Christmas Album and can not be acquired in-game without owning the Christmas Album. You can get either the Furious, Topsy or Surprised Santa mask when you start the game! All masks are then available in the Payday loot drop system for you to achieve.

The Season of Giving - Three Extra Soundtracks to Give Away

Not only is this soundtrack the perfect gift for yourself, but we'll also include no less than three extra copies of the soundtrack on purchase! What better way to treat yourself than a gift that you can ALSO give to someone else? It's a win/win!
